Admission policy for academic year 2022/2023 – for Nursery Classes in Moorside Primary School

Children who reach their third birthday on or before 31st August of the year they are to be admitted are entitled fifteen hours of Nursery provision per week. This entitlement is usually taken in two full day blocks and a half day i.e. Monday, Tuesday and Wednesday morning or Wednesday afternoon followed by full days on Thursday and Friday. This Admissions Policy has been formally adopted by the Governing Body of this school. In this school the Governing Body is the Admissions Authority and is responsible for determining the school's Admission Policy. Some children may be eligible for thirty hours of Nursery Education and further information in relation to the criteria and eligibility for this can be obtained from the school.

If a child reaches the age of three during the academic year in question and places are available, the school may admit termly. Priority will be given to children who became three during the autumn term, then the spring term and then the summer term.

Attendance at a Nursery class does not guarantee a place in a Reception class our school.

Children with an Education Health and Care Plan (EHCP) where the plan names a specific school will be offered a place.

If there are fewer applications than places available, then the following over-subscription rules are applied and places are offered to children who are ranked the highest.

1. Children in the care of a local authority (Children Looked After)

The following criteria are not in priority order; Governing Bodies are free to exercise discretion in the light of individual circumstances.

- Children with a brother or sister (a sibling) already in the Nursery class or in the Primary school
- Distance from home address to the Nursery address measured in a straight line using the local land and Property Gazette or a suitable alternative geographical information system
- Special circumstances such as:
 - Family breakdown
 - Three or more children under five years old in one household
 - Children who are at an educational disadvantage because their use of the English Language is minimal or non-existent
 - Home accommodation unsuitable for young children
 - Failure to thrive socially, medically or psychologically
 - Physical, sensory or learning difficulties

If special circumstances are to be considered, detailed information will be required and where possible, a meeting held to discuss things further.

Where we have to refuse a Parent's/Carer's application because of over-subscription, the application will be kept on a **waiting list**. If a place becomes available it will be offered to the applicant on the waiting list who ranks highest. There is no appeal procedure for Parents/Carers who have been refused a place in a Nursery class.

Parental/Carers Responsibility

Parents/Carers who share responsibility for the care of their child are expected to reach agreement to a Nursery placement between themselves.
